

Selection of College and Departmental Committees

Geosciences Department

There shall be a single departmental committee to consider matters of promotion and tenure on the University Park Campus. This committee shall be composed of five tenured faculty members elected by the entire faculty. At least three must be at the rank of professor. Three members of the committee shall be elected each year. The two eligible faculty members who receive the most votes will serve two-year terms; the third will serve a one-year term. After completion of a two-year term of service, the member may not serve on the departmental promotion and tenure committee for the following two years. Each faculty member may vote for two committee members in the election. The Chair of the committee shall be elected annually by the membership of the committee and shall serve as the Geosciences representative to the College Promotion and Tenure Review Committee. The Head of the Department of Geosciences shall be excluded from membership on the committee.
